DOMINION ORDERS IN COUNCIL.

[235]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, 6th February, 1901.

PRESENT:

HIS EXCELLENCY IN COUNCIL.

WHEREAS section 34 of the Regulations governing the disposal of coal lands, the property of the Crown, in Manitoba, the North-West Territories and British Columbia, established by Order in Council of 17th September, 1889, provides for the sale of lands

containing anthracite coal at an upset price of \$20.00 per acre cash, and of lands containing coal other than anthracite at \$10.00 per acre cash:

And whereas it is deemed advisable in the public interest to make provision for the payment of coal lands either in cash or scrip at the time of the sale, or in yearly instalments; and to impose a royalty on the coal mined from lands acquired from the Crown:

Therefore, His Excellency, by and with the advice of the King's Privy Council for Canada, is pleased to order that the aforesaid section 34 of the said Regulations governing the disposal of coal lands, the property of the Crown, in Manitoba, the North-West Territories and British Columbia, shall be and the same is hereby rescinded, and the following substituted therefor:—

"Lands containing anthracite coal may be sold at an upset price of \$20.00 per acre, and coal other than anthracite at an upset price of \$10.00 per acre, or may be sold by public competition if the Minister of the Interior shall so decide. Payment for the land in cash or scrip shall be made when the application is granted, or payment may be made of one-quarter of the purchase price only, and the balance in three equal annual instalments with interest at the rate of six per cent. per annum upon the unpaid balances. Scrip, however, cannot be accepted unless payment is made in full at the time of the sale. If payment is not made accordingly the right to purchase will be cancelled.

"In addition to the above a royalty at such rate as may from time to time be specified by Order in Council will be levied and collected on the gross output of the mine, and it will be necessary for the person operating a mine to furnish the Agent of Dominion Lands with sworn returns monthly, or at such times as the Minister of the Interior may direct, accounting for the full quantity of coal mined, and pay the royalty thereon at the above rate.

"Default in payment of such royalty, if continued for ten days after notice has been posted at the mine in respect of which it is demanded, or in the vicinity of such mine, by the Agent of Dominion Lands or by his direction, shall be followed by cancellation of the sale. In case of such cancellation no payments which may have been made on account of the purchase will be refunded.

"The patent which may be issued for coal lands will be made subject to the payment of the above royalty, and provision will be made therein that the Minister of the Interior may declare the patent to be null and void for default in the payment of the royalty on the coal mined.

"Any attempt to defraud the Crown by withholding any part of the revenue thus provided for, by making false statements of the amounts taken out shall be punished by cancellation of the sale of the land in respect of which fraud or false statements have been committed or made, and the Minister of the Interior may, for the same cause, declare the patent which may have been issued for the land to be null and void. In respect to the facts as to such fraud or false statements or non-payment of royalty the decision of the Minister of the Interior shall be final."

PROVINCIAL PARLIAMENT.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other

parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A (see Journals, 1900, page 175) a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Dated 16th November, 1900.
